

Effective March 25th, 2011

The “Regional” signing for Director and Manager on linear and facility design projects will read as follows:

all sheets

Regional ACCEPTED FOR CONSTRUCTION OF REGIONAL INFRASTRUCTURE Reviewed For Compliance With Regional Standards Only. SEE SHEET 1 FOR ORIGINAL SIGNATURE ----- Director SEE SHEET 1 FOR ORIGINAL SIGNATURE ----- Manager	
---	--

“SEE SHEET 1 FOR ORIGINAL SIGNATURE” will appear on every sheet of Halton design drawings excluding the **first design sheet with a Director/Manager signature area**.

The Director and Manager will sign the **first design sheet with a Director/Manager signature area**. Should the first design drawing not be sheet 1 the statement will be edited accordingly. Please contact the Halton Project Manager you are working for if you have any questions.

Designers should use the XFINE-PEN layer and L80 font.

The Regional signing of Director and Manager will be left blank on the first working drawing.

first sheet

Regional ACCEPTED FOR CONSTRUCTION OF REGIONAL INFRASTRUCTURE Reviewed For Compliance With Regional Standards Only. ----- Director ----- Manager	
---	--

leave blank

This title block information will be applied to all internal and consultant design projects for Design and Construction.
