

## As-Constructed-Capital: PHM-125 Photo Deliverable Sample

This sample illustrates the required approach for photographing a PHM-125 survey. The naming convention will include the intersection name and viewing direction, as shown in the example below.

Photos will be named and stored in a subfolder called "**PHOTOS**" within the final PHM-125 survey deliverable folder.

For additional details, please refer to the *Survey Standards Manual – March 2025*, Section 10: *As-Constructed Survey – Capital Projects*, Sub-section: *PHM-125 Key Requirements*.
