

WM Connections picked up before backfill on September 4th 2019

Notes:

MH Point #s/OP #s 12605, 12630, 12660, 12674, 16649, 16650, 16651, were imported from the 2016 Pre-Eng due to them being lined and the MH's not being adjusted which are not included in the Measure down Data Sheet.

ALL other MH's, WVC's, WV's were collected at Base asphalt conditions and are included in the Measure Down Data Sheets.
